

## Form 5 – Associates form – individuals

To be completed for the purposes of Part 4 of the application form: 'Details of the applicant's associates' where the applicant is an individual.

### Notes on completion

This form must be used by an applicant that is an individual, to provide the information listed in Table 2 in Part 4 of the application form (**Form 1**).

The applicant must complete this form by inserting, either electronically or in legible handwriting, the relevant information where prompted. Where there is insufficient space to provide information in a particular category, the applicant can supply the relevant information as a list annexed to this form. The annexure should clearly state the applicant's name, the name of the form and define the parts of this form being addressed. Applicants must ensure the annexure contains all the required information for that specified part.

An applicant may provide the information in a different format than specified in this form. For example, if the applicant's associates' information can be obtained from a database or similar program, the applicant may provide the information according to the database's format. However, applicants should ensure that they:

- > clearly indicate the applicant's name as it appears in Part 1 of the application form
- > clearly indicate that the attachment is for the purposes of 'Table 2 in Part 4 of the application form'
- > clearly indicate the form and part of the form the information relates to (for example, Part C of Form 5, 'Bodies Corporate of which the applicant is a director or secretary')
- > provide all of the required information.

Where the applicant provides to the ACMA the personal information of another individual, the applicant must inform that individual that the applicant has provided that individual's personal information to the ACMA, and what information was provided.

The ACMA recommends applicants provide their associates' information in a searchable electronic format rather than a scan of a physical copy, if possible.

Applicants are reminded that Part 6 of the application form requires them to declare that they:

- > understand that a person who knowingly or recklessly makes a false or misleading statement or omits any matter or thing without which the statement is misleading in connection with an application commits an offence under section 136.1 of the *Criminal Code*
- > believe that the statements made in the application form and its attachments are true in every particular.
